*"Collaboration: the art of turning 'me' into 'we' for a stronger tomorrow."*

Dear Parents

Warm Greetings!

**At SMSSS, ensuring the utmost safety and security of our students remains our highest priority.** In line with this commitment, we have implemented several changes in our working to address the concerns raised and to ensure an improved experience for all.

We would like to express our **sincere gratitude** to each one of you for **accepting the changes** that have been implemented so far, especially regarding the new dispersal process. **Your feedback and suggestions have always been a guiding light for us.** Your active participation will contribute to the betterment of our institution as a whole.

As we continue **to prioritize safety and security**, it is important to use the allocated entry and exit gates for dispersal and refrain from insisting on changing them.

Thank you once again for your valuable feedback and continued support. **Together, we can create an environment that fosters growth, safety, and academic excellence.**
