

Do this activity with your child using common household objects e.g. spoon, jug, television, doll, favourite dress, cycle, wristwatch, hat/cap etc

Make simple sentences to describe the object, e.g. for a cap, you can say

This is a cap.

It is a colourful cap.

It is a big/small cap.

I use it in summer.

THINGS TO BE SURELY DONE DURING HOLIDAYS BY KIDS:-

- Drink lots of water every day (8-10 glasses).
- · Listen to bed time stories every day.
- Spend quality time with your Grandparents by going with them for awalk every day.
- · Water plants daily.
- Save paper by not tearing it.
- Wash your own toys.
- Do colouring practice daily.
- Have daily conversation on atleast one good habit.
