HOLIDAYS HOMEWORK PRE SCHOOL

Holidays are the best time of the year,
Time to shout, clap & cheer !!!
Jump about and have lots of fun,
Enjoy treats in tons and tons !!!
Plan a trip, go around and explore,
Be it mountains or the sea shore !!!
Playing or cycling, whatever you do,
Museums & mountains can be visited too !!!
Try cool recipes with your grandparents too,
Experiments and projects to be done by you !!!
Be helpful and nice to all each day,

Remember to share your fun moments with us- get pictures clicked of yourself as an artist, a chef and even a scientist. Paste them in a scrap book which everyone can admire.

Pull out the paints! Roll up your sleeves! Create masterpieces using your imagination.

Have fun trying out these ART PROJECTS

Colorful capers

Beautiful colors cheer us up and make our day bright and vibrant, so get creative and collect pictures matching the colors and put them in your scrap book of "cool colors".

Paste some red, blue, yellow, green, orange, purple, black and white things.

Family collage

Work with the child to make a "family collage" by pasting photos of the members, do write the names of the members, then point out to each picture and ask your child to name the member.

Paper Bag Me Puppet

Give your child a white paper bag and a hand mirror, allow the child to look at himself in the mirror and draw the features on their face on the white paper bag.

Care of Self

“ Any child who is self-sufficient , who can tie his/her shoes, dress or undress himself/ herself , reflects in his/her joy and sense of achievement, the image of human dignity which is derived from a sense of independence”. They not only help the child gain independence, but they lay a neurological foundation for advanced skills involving coordination, concentration, abstract thinking and overall executive function. In the preliminary exercises, the child learns the basic movements of all types such as pouring, folding and carrying. With this aim, we have planned out activities during the summer vacations that can assist our little students in their overall physical and mental development.

1. Trim nails regularly.

2. Take a Bath every day.

3. Wash hands properly before and after every meal.

4. Learn how to zip and unzip a school bag.

6 Learn how to wear shoes and socks.

- To develop “Fine Motor Skills” let your child indulge in activities like:

Mashing Potatoes, Rolling Chapatis, Shelling out peas, Opening and closing the bottle cap / tiffin lid , Turning pages of a Book, Squeezing bath sponges .

At St.Margarate, we work hard at implementing a well-balanced curriculum to ensure that the children enjoy what they learn. The above activities have been planned to ensure learning in a play way method. Recapitulation of all the concepts covered till now should be done.
