Q2. Read the following passage and answer the following questions.

4m

We need to clean our house regularly. The daily cleaning i.e. sweeping, dusting, and mopping is done at home. Weekly cleaning like removing cobwebs, cleaning cupboards and changing bed sheets helps to keep the house clean. All the people living in the house should together keep it clean all the times.

a. What should be done daily to clean the house?

2m
