Dear Parents

Warm Greetings!

We wish to inform you that we are implementing changes in **teaching strategies**. These changes are aimed at providing a more effective and engaging learning experience, ensuring that each student achieves their **full potential**. As part of our commitment to staying at the forefront of educational advancements, we are actively considering the principles and recommendations outlined in the New Education Policy 2020 and National Curriculum Framework 2023.

We will be conducting **Chapter End Assessments for students in classes IX- XII**, along with offering **Enhancement Classes** for all subjects. These assessments and classes are designed to reinforce learning and help students excel in their academic journey.

Important

- The Chapter End Assessments will cover a range of topics, including both previous chapters and the most recent ones.
- These assessments will prove highly **beneficial** for the preparation of their **board examinations**.
- The assessment schedule will be shared with you shortly, allowing ample time for thorough preparation.
- The Enhancement Classes will provide students with an opportunity to delve deeper into the curriculum, clarify doubts, and further develop their knowledge and skills.
- **The punctuality and regularity** of students for these assessments and enhancement classes are of utmost importance.
- Please give the highest priority to your child and **stay in touch** with the subject teachers/ class teacher. **Always attend the meetings whenever you are called so that you can stay informed and actively participate in your child's educational journey.** Regular communication with teachers is vital for addressing any concerns or challenges.

For any queries or further information, please feel free to reach out to the respective subject teachers/ class teacher or the school office. We are here to assist and guide you throughout this process.

With your cooperation, we are confident that we can achieve remarkable progress and outstanding results.

Thanks & Regards
Coordinator
