HOLIDAY HOMEWORK 2024-25
CLASS: III

*Summer vacation, a time we all hold dear,
A chance to reconnect, our loved ones are near.
Gatherings planned, with stories untold,
Grandparents' wisdom, worth more than gold.
Make the most of this precious time, we say,
Let laughter fill the parks, where children can play.
Put down the gadgets, the screens that divide,
Connect with your children, walk side by side.
For these formative years, fleeting and fast,
Memories made now, a treasure to last.*

Dear Parents

Holidays are here, the most cherished part of the year. A time for rejuvenation, for visits to relatives, and for adventures with family. Amidst the daily hustle, let's seize the opportunity to create lasting memories together.

As we embark on this summer break, let's make the most of our time together. Whether it's a stroll in the park or lending a helping hand with holiday assignments, let's cherish every moment of togetherness. Let's guide our children away from screens and unhealthy treats, towards meaningful interactions and wholesome activities. Books can spark your child's imagination and transport them to fantastical worlds. Board games will foster connections and friendly competition.

This vacation is not just a pause in routine; it's an opportunity to nurture bonds that will last a lifetime. Let's savour this precious time, gazing into the eyes of our little ones and giving thanks for the gift of parenthood. For in the years to come, they'll soar to new heights.

Looking forward to our children returning, brimming with enthusiasm to embrace their academic pursuits with zest.

Wishing you all a safe, relaxing, and fulfilling vacation.

Warm Regards
Simmi Bhatia
Principal
