**HOLIDAY HOMEWORK 2024-25**  
**CLASS: V**

*Summer vacation, a time we all hold dear,  
A chance to reconnect, our loved ones are near.  
Gatherings planned, with stories untold,  
Grandparents' wisdom, worth more than gold.  
Make the most of this precious time, we say,  
Let laughter fill the parks, where children can play.  
Put down the gadgets, the screens that divide,  
Connect with your children, walk side by side.  
For these formative years, fleeting and fast,  
Memories made now, a treasure to last.*

Dear Parents

Holidays are here, the most cherished part of the year. A time for rejuvenation, for visits to relatives, and for adventures with family. Amidst the daily hustle, let's seize the opportunity to create lasting memories together.

As we embark on this summer break, let's make the most of our time together. Whether it's a stroll in the park or lending a helping hand with holiday assignments, let's cherish every moment of togetherness. Let's guide our children away from screens and unhealthy treats, towards meaningful interactions and wholesome activities. Books can spark your child's imagination and transport them to fantastical worlds. Board games will foster connections and friendly competition.

This vacation is not just a pause in routine; it's an opportunity to nurture bonds that will last a lifetime. Let's savour this precious time, gazing into the eyes of our little ones and giving thanks for the gift of parenthood. For in the years to come, they'll soar to new heights.

Looking forward to our children returning, brimming with enthusiasm to embrace their academic pursuits with zest.

*Wishing you all a safe, relaxing, and fulfilling vacation.*

Warm Regards  
Simmi Bhatia  
Principal

*My dear students follow some simple steps to stay cool and smart during your Summer Vacations-*

- a) Eat a nutritious diet with plenty of water. Include citrus fruits (orange, lemon, grapefruit) and vegetables which are rich in vitamin C, Vitamin D containing foods (cheese, egg yolks) and zinc-containing foods*
- b) (legumes, lentils, beans, and nuts).*
- c) Wash your hands frequently, always with soap and water for at least*
- d) 20 seconds or frequently use alcohol-based hand rub.*
- e) Wear light cotton clothes.*
- f) Protect yourself and others from hot summer waves.*
- g) Be a leader in keeping yourself, your school, family and community healthy.*
  
- h) Reading story books enhance language and vocabulary. Make a habit of reading one story every week.
- i) One is never alone when one is with newspaper.' What fun! Reading Newspaper will teach you many new words. You will write nicely and speak well. Read the headlines of any English newspaper daily.

**Note: Kindly do not purchase anything from outside. Use the material available at home so that we can create a sustainable environment.**

**-Drive link to upload the videos will be shared by the class teacher.**

1. On any sheet design a book cover for your novel based on the theme 'Planet Vs Plastic'. Give an appropriate name to your novel. Record a video to describe why we must work on reducing the use of plastic.
- 

2. Present the wild life of the Andaman and Nicobar Islands in the form of a collage. Paste pictures of the animals of the Andamans on any sheet. Enact like any one animal and describe any one fun fact about that animal.
- 

3. पंचतंत्र की कहानी पढ़कर किसी एक कहानी पर आसन्न खींची गई छवियों की श्रृंखला (कॉमिक स्ट्रिप) तैयार करें।(ए 4 साइज शीट पर )
-

4. Have fun growing a plant. You can grow a plant (herbs such as mint, coriander, lettuce, ornamental plants, air purifier plants etc.) in used coconut shells, discarded plastic bottles, jugs, broken coffee mugs etc.

---

5. Create a planter using any old can or plastic bottles and decorate with any recycled materials. Some of the examples are given below.

6. Photo Collage

- Design a photo collage of all the productive things you plan to do in the vacations to save our Planet Earth.
- Use any Designing app like Canva/In shot/PowerPoint etc.
- Mention the activities with a message to conserve our planet.
- Your work should also contain your Name, Class, Section and Roll Numbers at the bottom right corner of your page.
- Upload the picture of the Collage using shared drive link
