Circular no: SMSSS/ 10 /May 2024

Dated: May 19, 2024

"The future belongs to those who prepare for it today."

Dear Parents

In today's fast-paced world, navigating higher education and career choices can be overwhelming for our young minds. As responsible parents and school, it is our duty to provide the best support to our students for a successful future. To this end, the school has initiated a **Career Guidance Programme** for our students of **classes XI and XII**.

We are pleased to announce that this year we are collaborating with Mrs. Roma Kumar, a **highly experienced NCERT-trained Career Counsellor**. Mrs. Kumar will provide invaluable insights and guidance to help our students make informed decisions about their careers.

While abundant career information is available online, making sense of it can be daunting. Professional guidance is essential to ensure career choices align with each student's abilities and aspirations.

We believe that this Career Guidance Programme will be instrumental in helping our students chart a clear and confident path toward their futures. Your support and encouragement will further empower them to make the most of this opportunity.

Warm Regards
Simmi Bhatia
Principal

Note: The schedule for the Career Guidance Programme is attached herewith.
