

*Summer vacation, a time we all hold dear,
A chance to reconnect, our loved ones are near.
Gatherings planned, with stories untold,
Grandparents' wisdom, worth more than gold.
Make the most of this precious time, we say,
Let laughter fill the parks, where children can play.
Put down the gadgets, the screens that divide,
Connect with your children, walk side by side.
For these formative years, fleeting and fast,
Memories made now, a treasure to last.*

Dear Parents

Holidays are here, the most cherished part of the year. A time for rejuvenation, for visits to relatives, and for adventures with family. Amidst the daily hustle, let's seize the opportunity to create lasting memories together.

As we embark on this summer break, let's make the most of our time together. Whether it's a stroll in the park or lending a helping hand with holiday assignments, let's cherish every moment of togetherness. Let's guide our children away from screens and unhealthy treats, towards meaningful interactions and wholesome activities. Books can spark your child's imagination and transport them to fantastical worlds. Board games will foster connections and friendly competition.

This vacation is not just a pause in routine; it's an opportunity to nurture bonds that will last a lifetime. Let's savour this precious time, gazing into the eyes of our little ones and giving thanks for the gift of parenthood. For in the years to come, they'll soar to new heights.

Looking forward to our children returning, brimming with enthusiasm to embrace their academic pursuits with zest.

Wishing you all a safe, relaxing, and fulfilling vacation.

Warm Regards

- **Enhance your vocabulary by conversing in English with your friends and family.**
- **Revise all the work done till date.**
- **Kindly do not purchase anything from outside. Use the materials available at home so that we can create a sustainable environment.**

I) Prepare a badge on the topic: Fighting Plastic Pollution

Instructions:

- *Give the heading to your badge - Planet Protector
- *Use cardboard for the base
- *Use eco-friendly materials such as recycled paper, fabric, or biodegradable alternatives for decoration.
- *Ensure the design reflects the theme of banning plastic usage and promotes eco-friendly practices.
- *Use of slogan is compulsory.
- * The size of the badge should be about 4 inches in diameter.
- * **Make a video speaking on the topic "Concern on single use plastic". The video would be uploaded on the link which will be shared by the teacher.**

II) Prepare a Science Newsletter on the theme "Planet Vs Plastic". Use used or recycled sheets to make your holiday homework on science magazine. Make a nice cover. Use your imagination and creativity. The content should be of 7-8 pages only.

Some of things that you could put in the magazine are:

- Extract from articles on the need to ban single use plastics.
 - Case study on handling plastic
 - Some (3-4) amazing / interesting facts.
 - Puzzles/riddles/jokes/thoughts/comic strip/ meme about the planets vs Plastics
 - Information about pollution in the river Yamuna or any other polluted place near your house.
- Visit the river / polluted place / a water source with your parents and write about it in the magazine.
- Write 5 things that you must keep in mind to keep the environment clean.
- Give your magazine a suitable title.
